**Saffron** Since we first tried dessert at Saffron, we've had a hard time venturing out from the crème brulee tart, a semi-frozen version of the classic dessert, sitting atop a butter cookie and topped with seasonal accompaniments. There's no wanting for elegance here, with a dining room that's elevated from street level and painted in warm shades. [123 N. Third St., Mpls.; 612.746.5533; [saffronmpls.com](http://saffronmpls.com)]
